

Where To Go Next
southern california
BY BRAD JOHNSON

SAN DIEGO

Addison On the grounds of a golf course that's being transformed into a luxury resort, the brand-new Addison overlooks the perfectly manicured 18th hole. Chef William Bradley applies Mediterranean techniques to local ingredients in dishes like veal with cinnamon-roasted sweet potatoes, and a sumptuous crab-and-truffle gratin. Sommelier Jesse Rodriguez's list includes surprises like a dessert wine made with Sauvignon Blanc from South Africa's Klein Constantia.
